### **Brief Description of**

The proposed effort would complement and enhance the mission of the Businesses we seek to collaborate with by bringing traffic to your organization, using your facilities and incoming tourists seeking to tour our facility.

Our joint efforts will bring vitality back into the area close to your businesses. No additional costs to your agency but a mutual beneficial relationship can help to reduce crime, loitering and poverty in the downtown area of the great city of Jacksonville Florida. We invite you to visit our website at [www.mwuglffl.org](http://www.mwuglffl.org).

Under this proposal, funds will be generated through our collaborative efforts to involve all stakeholders. There will be no overlapping of services with this proposal only complementary relationships.

We believe that the efforts in this proposed project will mutually benefit all involved.

The proposed action/ activities will be crucial to the operation of our activities. Working together we can successfully rid this community of poverty, drugs, illiteracy and develop a
